HPC in Asia-Pacific Presentation Materials Upload Form

following stage 1 of asiap101

⚠ Required fields are shown in red, with an asterisk (*).

Please upload your final presentation material until **May 8, 2024**.

The information provided as part of your submission will be included in the ISC 2024 schedule.

All materials submitted will be available to registered conference participants only within our event platform Swapcard and NOT publicly accessible

For any questions, please send an email to mareile.gruen@isc-events.com

Your presentation has to be in 16:9 and should be saved in PowerPoint 2019 (or lower), LibreOffice or PDF.

The [ISC Group title slide](#) should be included at the start of your presentation and cover the slide fully.

If you would like to use your own fonts in your presentation, please hand them on a USB stick to the technician in the presentation room. You remain the owner of the font. The fonts will be deleted after your presentation.

Most modern video formats are supported, for example all standards (*.wmv, *.mpg, *.avi), that can be played from standard MS Windows 10 installed computers with Windows Media Player. Additionally, MOV, DivX, MPEG-4 und H.264 video formats can be played, too. If you have embedded videos in your presentation, please ensure you have all of your linked file folders on your USB.

Macintosh users are requested to bring an already converted version of their presentation.

Technical Equipment

The conference rooms include a projector, a screen, microphones, a presentation computer (with MS Office, LibreOffice, Adobe Acrobat Reader, Firefox), Wi-Fi and wired Internet access.

For technical and efficiency reasons, we kindly ask you to use the presentation computer provided in the room.

If you need to present from your own laptop and/or have any special technical requirements for your presentation, please let us know by **Monday, April 15, 2024** at the latest. Macintosh users are asked to bring their own HDMI adapters.

Presentation Slides Upload

Please upload your final presentation slides (max. file size 25 MB) for your presentation. This file will be shared with the technician on-site. When you arrive for your presentation, your slides will be ready and prepared for you.

We strongly encourage you to upload your final presentation slides in PDF format.
